

Directions & Parking

Directions

From I-20: Take Candler Road exit north past Memorial Drive, past Kirk Road (light) look for E. Dougherty Street. on your left, at the Agnes Scott College sign. Turn left, and park your car as directed.

From I-285 (east side of city): Take the Ponce de Leon exit. Go west on Ponce de Leon toward Decatur. Stay on Ponce until Church Street. Turn left on Church Street. The second light will be Trinity. Take a left on Trinity, cross the railroad tracks (College Avenue.), and you will be on Candler Road southbound. As you just pass the main part of campus, look for E. Dougherty Street on your right. Turn right and park as directed.

From downtown: Take Ponce de Leon east until it hits Church Street. Turn right on Church Street. The second light will be Trinity. Take a left on Trinity, cross the railroad tracks (College Avenue.), and you will be on Candler Road southbound. As you just pass the main part of campus, look for E. Dougherty Street. on your right. Turn right and park as directed.

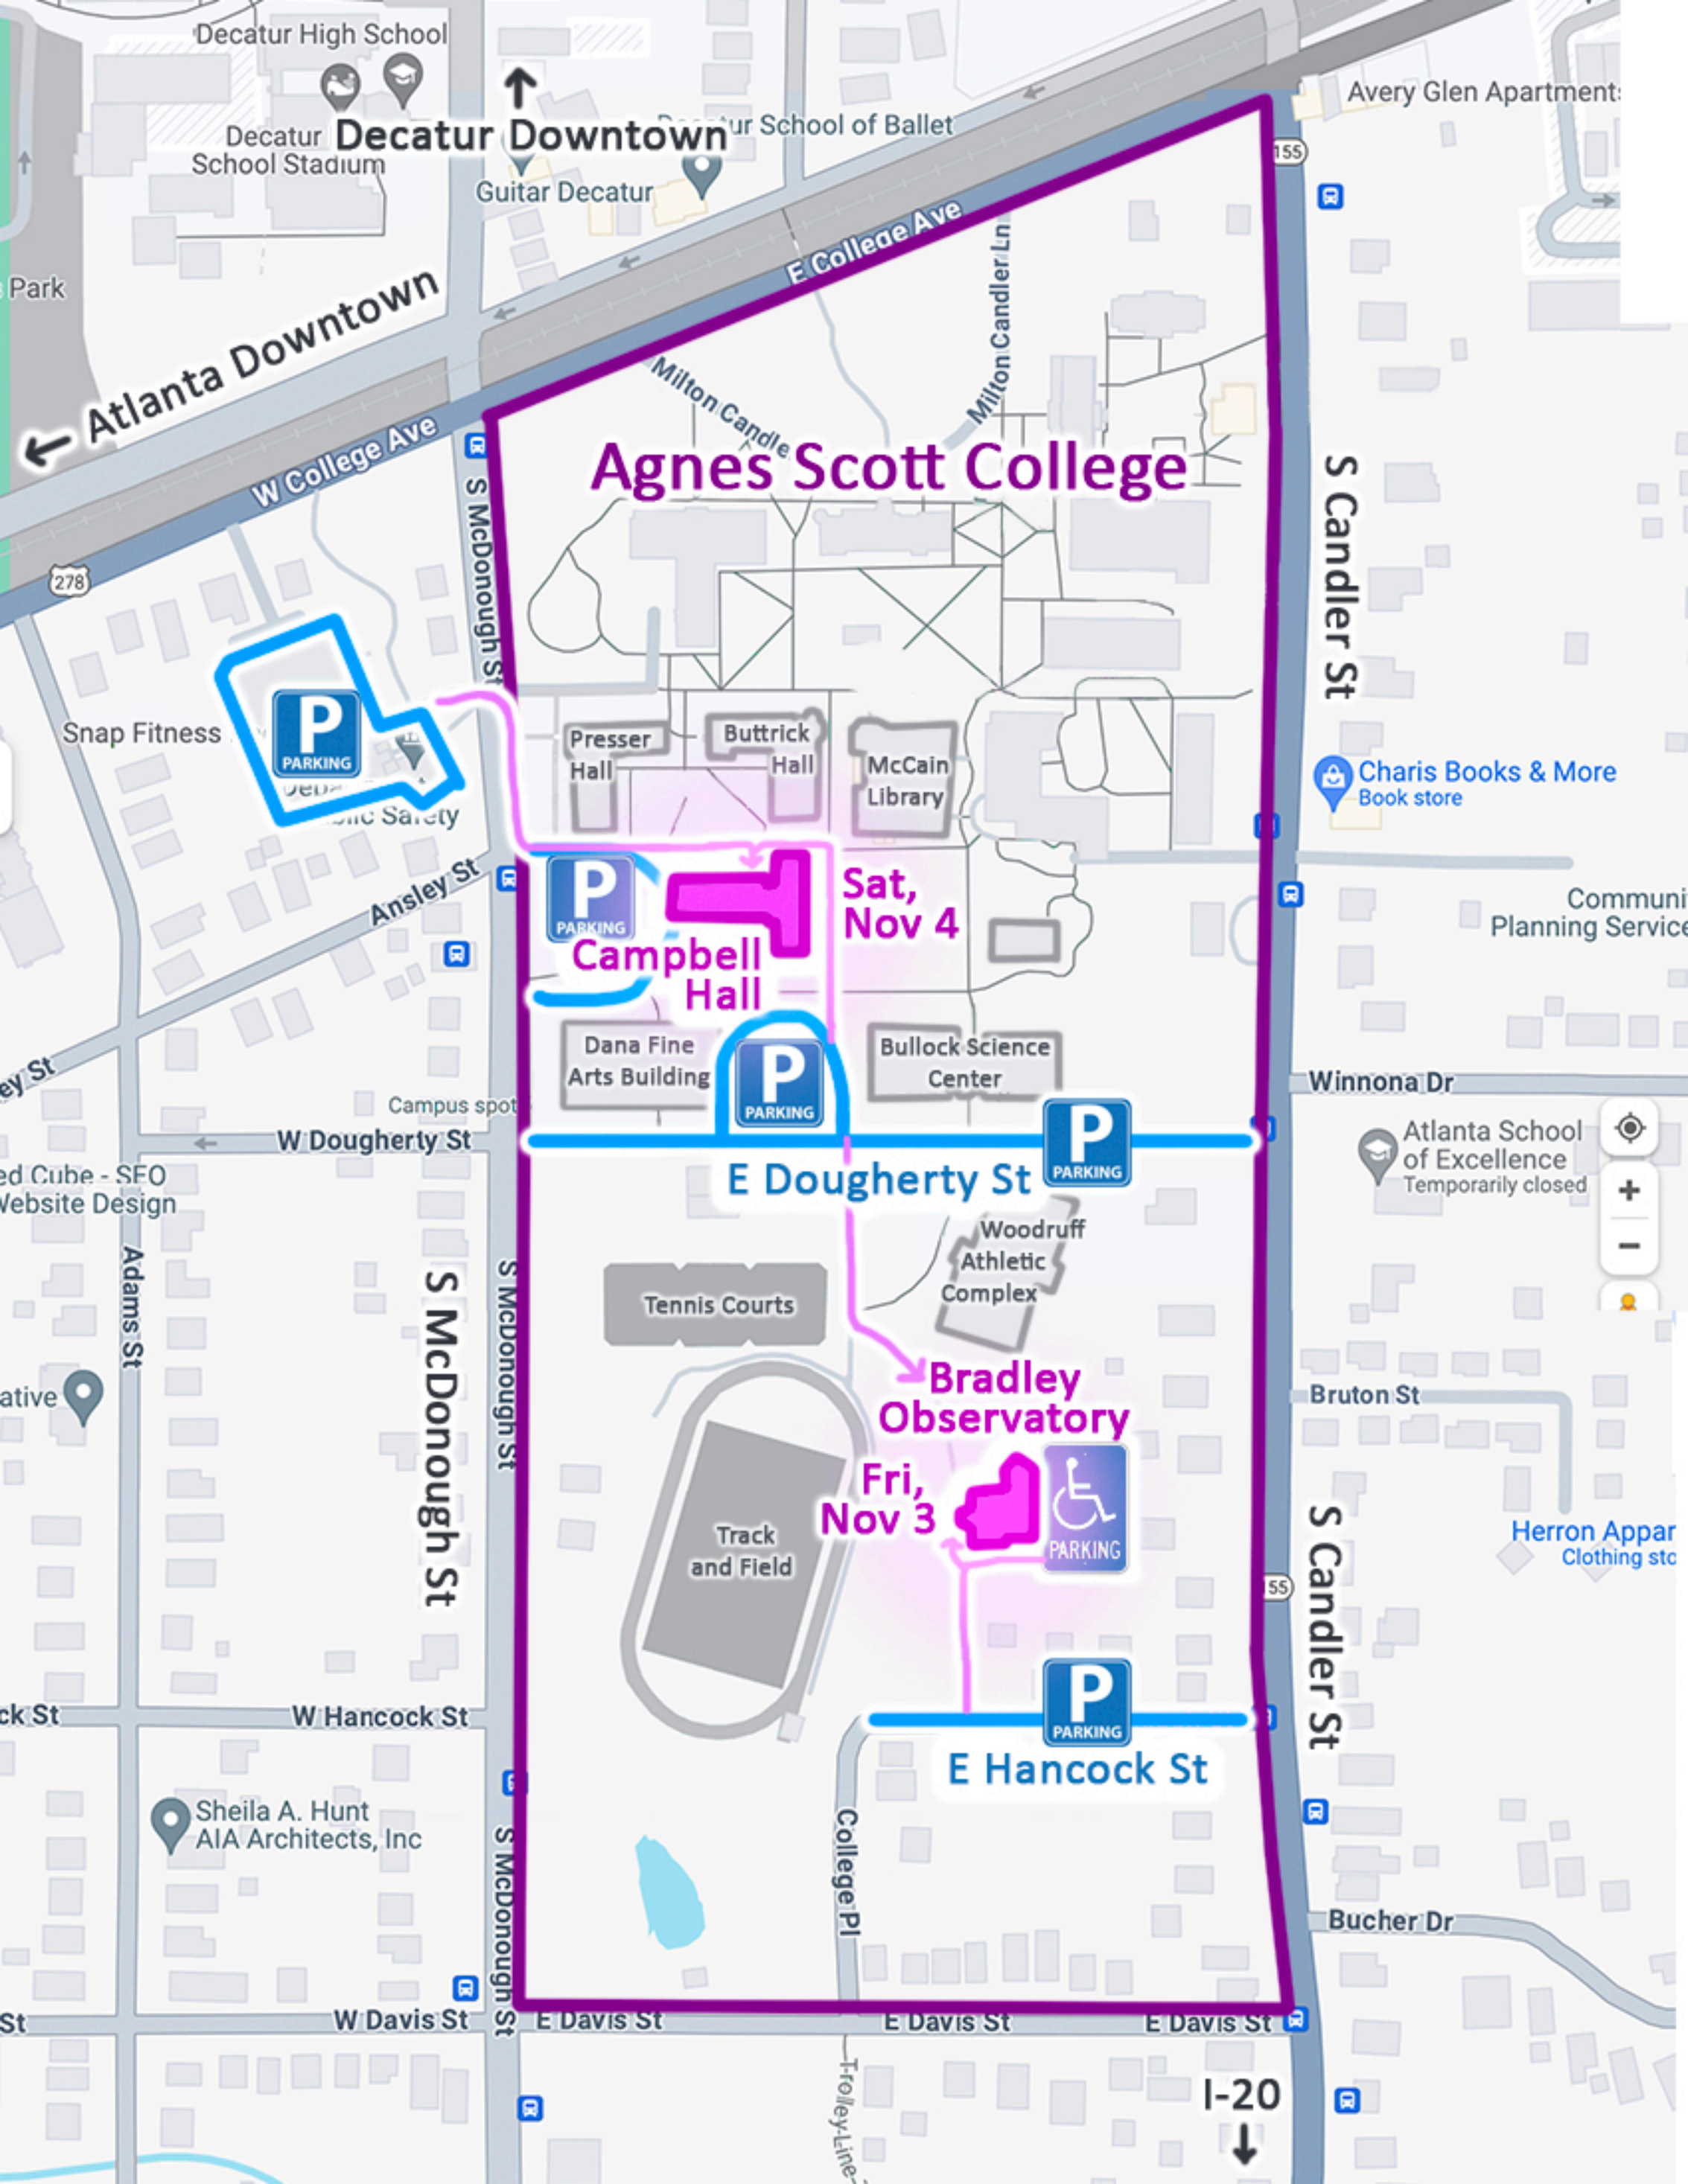

Parking

Friday night at Bradley Observatory: Handicapped-accessible parking is available adjacent to the observatory and is accessed via E Hancock St.. We request other visitors use campus parking lots accessible via E. Dougherty Street and South McDonough Street.

There is on-street parking along E. Dougherty and in the parking lot to your right past the Mary Brown Bullock Science Center.

Additional parking is available off of S. McDonough Street. Follow Dougherty to the four-way stop, either turn left and take your first left into the parking lot, or turn right and park in the large parking deck on the left.

The sidewalk to Bradley Observatory is between the Woodruff Physical Activities Building and Gellerstedt Field, to the left (south) side of E. Dougherty. See map below.
